

# Lanka Super Plus

Passenger Car Motor Oil

## Product description

**Lanka Super Plus** is a high quality monograde engine oil for use in a wide range of passenger car and light-duty commercial vehicle gasoline engines where API SL performance, monograde lubricants are required.

## Customer benefits and product features

### Customer benefits

- **Long engine life**  
Proven metallo-organic anti-wear additive system resists wear under all operating conditions by forming a protective layer on contact surfaces.
- **Preserves power and performance**  
Metallic detergent and ashless dispersant additive system preserves power and performance by providing good control of piston and ring deposits under high temperature conditions.
- **Saves on maintenance**  
Very good thermal and oxidation stability resists in-service oil degradation that contributes to filter blocking and sludge formation.

### Product features

- Provides a high level of protection against heat stress and engine deposits.

## Applications

- Naturally aspirated and turbocharged gasoline engines in passenger cars where API SL or lower performance monograde oils are specified.
- Light truck gasoline engines where API SL or lower performance monograde oils are specified.
- Four-stroke gasoline engines in portable power equipment where the manufacturer recommends conventional passenger car motor oils of API SL or lower performance. Not recommended for use in diesel engines or in motorcycle engines.

*Not recommended for use in diesel engines or in motorcycle engines.*
