

Havoline Super 4T Fully Synthetic

High Performance Premium Four-Stroke Motorcycle Oil

Product Data Sheet

Customer benefits

Enhances acceleration and seamless shifting

Experience enhanced acceleration from the get-go and seamless shifting throughout all RPM. **ZOOMTECH** delivers better oil frictional properties to improve clutch grip and enhance acceleration. High static friction prevents clutch slippage, ensuring maximum power transfer, especially under high load conditions.

Reliable and trusted protection

You can now enjoy a worry-free ride as the oil's superior thermal stability prevents it from breaking down, increasing protection against engine heat damage. High shear stability keeps the engine further protected under all kinds of riding conditions.

Performs and protects during every ride

High quality, fully synthetic Group III base oils are selected to ensure the oil retains its intended properties between each service interval.

Keeps clean and stays clean

Engine is kept clean and in peak condition, thanks to excellent detergency and Havoline's unique deposit control properties.

Applications

- Modern air- and liquid-cooled four-stroke motorcycle engines
- Suitable for modern engines that require added protection and improved wear resistance (SAE 5W-40)
- Suitable for v-twin and big bore engines. Thicker oil also provides an added layer of protection against engine wear (SAE 10W-50)
- Motorcycles with back torque limiters
- Motorcycles with exhaust catalytic converters
- Motorcycles with combined engine and transmission units, or separate gearboxes where a multi-grade JASO MA or JASO MA2 engine oil is specified

Product features:

- **Havoline® Super 4T Fully Synthetic SAE 5W-40** is a premium fully synthetic oil with Havoline **C.O.R.E.+ Technology**, specially formulated to suit the demanding needs of high-performance motorcycles in all city riding conditions.
- **Havoline C.O.R.E.+ Technology** delivers four key benefits:
 - Cleans and protects – maintains efficient engine performance
 - Oxidation stability – protects against oil degradation
 - Reduces engine heat damage – delivers continuous and superior oil stability
 - Enhances acceleration – improves clutch grip under high loads with **ZOOMTECH**
- Havoline motorcycle oils ensure your motorcycle always performs at its best.

A Chevron company product

Typical key properties

HAVOLINE SUPER 4T FULLY SYNTHETIC

SAE Grade	5W-40	10W-50
Product Code	500722	500723
Base no. (D2896, mgKOH/g)	7.6	7.7
Pour Point, °C	-39	-36
Sulphated Ash, m%	0.9	0.9
Viscosity, mm ² /s @ 100°C	14.2	16.6
Phosphorus, m%	0.08	0.08

2009

Performance standards

1. T903:2016 JASO MA2
JASO Identification Number : M065CVX262 (SAE 5W-40)
M065CVX272 (SAE 10W-50)
2. Meets the specifications of API SN

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended.

Environment, Health and Safety Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal.
