

Four-Stroke Lawnmower and Stationary Engine Oil SAE 30

Monograde engine oil

Product description

Four-Stroke Lawnmower and Stationary Engine Oil SAE 30 is a high performance, monograde engine oil intended primarily for the lubrication of gasoline engines requiring API SJ performance lubricants, and suitable for small diesel engines where API CF performance is specified.

Customer benefits and product features

Helps prolong engine life

High efficiency dispersant combination plus proven metallo-organic anti-wear additive system provides excellent protection against wear of critically loaded components under typical operating conditions. Exceptional oxidation stability helps protect against the formation of gums and varnish at elevated temperatures.

Helps preserve power and performance

Outstanding metallic detergent additive system helps preserve power and performance by providing excellent upper-ring-belt deposit control under high temperature conditions.

Applications

- Stationary gasoline engines (four-stroke, air- and water-cooled)
- Lawn mowers
- Small four-stroke gasoline powered generator sets
- Other portable power equipment
- Small stationary diesel engines

Product approvals, performance and recommendations

Developed independently by Chevron to comply with the following performance standards:

- API SJ
- API CF

Four-Stroke Lawnmower and Stationary Engine Oil SAE 30

Monograde engine oil

Typical Test data

FOUR-STROKE LAWMOWER AND STATIONARY ENGINE OIL SAE 30 KEY PROPERTIES	RESULTS
SAE Grade	30
Product Code	500734
Base No.,	
D2896, mgKOH/g	10.0
Sulfated Ash, mass %	1.4
Viscosity,	
- mm ² /s @ 40°C	93
- mm ² /s @ 100°C	11.5
Viscosity Index	112
Zinc, mass %	0.12

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. Produced by Chevron Global Lubricants: Asia Pacific.

ENVIRONMENT, HEALTH and SAFETY. Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal.
