Delo® Silver

Heavy-Duty Monograde Diesel Engine Oil

Product description

Monograde heavy-duty diesel engine oil designed to lubricate engines requiring API CF / SF performance lubricants. The level of alkaline reserve makes it suitable for use with high sulfur fuels at appropriate oil drain intervals.

Customer benefits and product features

Customer benefits

- **Helps save on maintenance**
  Proven metallo-organic anti-wear additive system helps resist wear by forming a protective layer on contact surfaces under all service conditions.

- **Helps prolong periods between overhauls**
  Metallic detergent and ashless dispersant additive system helps resist the formation of high temperature deposits in diesel engines. Good oxidation stability helps resist oil degradation and helps protect against oil thickening, and oil line and filter plugging.

- **Helps preserve power and performance**
  Metallic detergent and ashless dispersant additive system helps preserve power and performance by providing good control of high-temperature piston and ring deposits.

Heavy-Duty Monograde Diesel Engine Oil

Applications

Suitable for the following applications whenever the manufacturer recommends monogrades:

- Mixed fleets of diesel engines (high-speed, four-stroke, turbocharged or naturally aspirated)
- Gasoline engines (four-stroke) in mixed fleets of both diesel and gasoline engines
- Commercial road transport
- Off-highway vehicles
- Agricultural tractors
- High speed diesel engines in marine service (e.g., fishing boats, river transport)
- Generator sets
- Mobile hydraulic systems (where oil type and viscosity are appropriate)

Product approvals, performance and recommendations

Meets the Requirements of

- API CF, CD / SF
