Havoline® Energy MS SAE 5W-30
Proven performance mid SAPS synthetic engine oil

Product description

Havoline Energy MS SAE 5W-30 is a proven performance synthetic mid-SAPS engine oil specifically formulated with an additive package designed to meet Renault RN 0700 engine lubrication requirements.

Havoline Energy MS SAE 5W-30 is designed for use in both gasoline and diesel passenger car engines as well as light duty commercial diesel vehicles, and offers compatibility with diesel particulate filter (DPF) and three way catalyst (TWC) aftertreatment systems.

Customer benefits

• Designed for fuel efficiency over extended oil drain periods while offering engine protection with reduced servicing time and expense

• Proven mid SAPS formulation offers protection to TWC and DPF aftertreatment systems helping minimise exhaust emissions

• Advanced cleaning additives promote reduced deposit and harmful sludge build-up and help extend engine service life

• Synthetic base oil formulation offers reduced engine oil volatility and improved oil consumption performance

Applications

• Havoline Energy MS SAE 5W-30 is suitable for a large number of gasoline and diesel passenger cars and light diesel vans - with or without turbochargers. This specifically designed low friction, low viscosity oil provides extended drain intervals in Europe. It combines C2 with A1/B1. C2 is also typically used for Japanese OEMs

Product highlights

• Designed for fuel efficiency
• Offers TWC and DPF compatibility
• Helps extend engine life
• Promotes improved oil consumption

Havoline® Energy MS SAE 5W-30 — Continued

- Havoline Energy MS SAE 5W-30 can be used in Renault cars equipped with engines that require Renault RN 0700 specifications
- Havoline Energy MS SAE 5W-30 is suitable for use in engines that require engine oils that meet the Iveco 18-1811 specification

Havoline Energy MS SAE 5W-30 is unsuitable for some engines. Consult owners’ manual or handbook if in doubt
