Havoline® 4T

Four-Stroke Motorcycle Oil

Product description

High quality, shear stable, multi-grade, multifunctional fluid specifically designed for use in four-stroke motorcycle engines, clutches and gearboxes, and portable power equipment engines requiring JASO MA2, API SG lubricants.

Customer benefits

Cost-effective engine protection

Proven formula protects contact surfaces to control engine and gear wear.

Clean Engine

Effective and efficient technology that keeps engine clean by controlling engine deposits for sustained power release and acceleration. Detergent and dispersant system slows build-up of piston and ring deposits to help maintain your engine's power and performance.

Smooth Riding

Optimum control of frictional properties to ensure that there is no clutch slippage, hence providing a smoother ride.

Applications

- Air and liquid-cooled, four-stroke motorcycle engines, where API SG or lower performance oils are acceptable.
- Motorcycles with oil-immersed clutches, where API SG or lower performance oils are acceptable.
 Motorcycles with centrifugal clutches.
- Four-stroke scooter engines.

Approvals, performance and recommendations

- API SG
- JASO MA2 (2011)

Four-Stroke Motorcycle Oil

Typical test data

HAVOLINE 4T	RESULTS
SAE Grade	20W-40
Product Code	500707
Base No., D2896, mg KOH/g	6.2
Sulfated Ash, m %	0.88
Viscosity, mm²/s @ 40°C mm²/s @ 100°C	126 14.5
Phosphorus, m%	0.088

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. Produced by Chevron Global Lubricants: Africa, Middle East and Pakistan.

ENVIRONMENT, HEALTH and SAFETY. Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal.
