

Havoline[®] Ezy 4T

High Quality Four-Stroke Motorcycle Oil

Product description

Havoline[®] Ezy 4T is a mineral oil that offers continuous protection of the engine, gear box, and clutch under all kinds of city riding conditions.

Customer benefits and product features

Customer benefits

- **Reliable performance and protection**
Effectively lubricates and delivers consistent performance and protection of the motorcycle.

Applications

- Air- and liquid-cooled four-stroke motorcycle engines.
- Suitable for older engines that require a thicker oil for added protection against high engine wear.
- Motorcycles with back torque limiters.
- Motorcycles with exhaust catalytic converters.
- Motorcycles with combined engine and transmission units, or separate gearboxes where a multi-grade JASO MA or JASO MA2 engine oil is specified.

Product approvals, performance and recommendations

Performance

- JASO MA2 (2016)
JASO Identification Number M065CVX325
- API SG

Havoline[®] Ezy 4T

High Quality Four-Stroke Motorcycle Oil

Service considerations

The JASO MA2 category defines the highest friction motorcycle oils suitable for use in most critical the oil-immersed clutch installations. Oils which meet JASO MA2 also meet in full JASO MA, so may be used wherever JASO MA is specified. JASO allows an oil to be labelled as either JASO MA2 or JASO MA, but not both simultaneously.

Always refer to the vehicle's owner's manual to determine the recommended viscosity grades for the engine.

Typical test data

HAVOLINE [®] EZY 4T	RESULTS
SAE Grade	20W-40
Product Code	500709
Base No., D2896, mg KOH/g	6.0
Sulfated Ash, mass %	0.88
Viscosity, mm ² /s @ 40°C mm ² /s @ 100°C	126 14.6
Phosphorus, mass %	0.09

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. Produced by Chevron Global Lubricants: Asia Pacific.

ENVIRONMENT, HEALTH and SAFETY. Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal.
