

Delo[®] RPM VR

Heavy Duty Diesel and Petrol Engine Oil

Product Data Sheet

Product description

Delo RPM VR are monograde, heavy-duty engine oils designed to lubricate diesel and petrol engines requiring API CD/SC performance lubricants. The high Total Base Number (TBN) makes it suitable for use with high sulfur fuels at appropriate oil drain intervals.

Customer benefits

Protection for diesel and petrol engines

Proven metallo-organic anti-wear additive system resists wear by forming a protective layer on contact surfaces under all service conditions.

Preserves Power and Performance

Metallic detergent and ashless dispersant additive system preserves power and performance by providing good deposit control at high temperature zones like piston and ring.

Reduce maintenance costs

Good oxidation stability resists oil degradation and protects against oil thickening, and oil line and filter plugging.

Applications

- Diesel and petrol engines (high-speed, four-stroke, turbocharged or naturally aspirated)
- Commercial road transport
- Off-highway vehicles
- Agricultural tractors
- High speed diesel and petrol engines in marine service (e.g., fishing boats, river transport)
- Generator sets

A **Chevron** company product

All trademarks are property owned by Chevron Intellectual Property LLC.

Performance standards

- API CD/SC

Typical key properties

DELO RPM VR		
Viscosity Grade	40	50
Viscosity, Kinematic		
40 °C, mm ² /s	154	233
100 °C, mm ² /s	14.5	19.1
Viscosity Index	92	92
Base Number, D 2896 mg KOH/g	9.4	9.3
Calcium, mass %	0.34	0.34
Zinc, mass%	0.04	0.04

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended.

Produced by Chevron Lubricants; Africa, Middle East and Pakistan.

Environment, Health and Safety Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal.
