Delo® RPM VR

Heavy Duty Diesel and Petrol Engine Oil

Product description

Delo® RPM VR are monograde, heavy-duty engine oils designed to lubricate diesel and petrol engines requiring API CD/SC performance lubricants. The high Total Base Number (TBN) makes it suitable for use with high sulfur fuels at appropriate oil drain intervals.

Customer benefits and product features

Customer benefits

· Protection for diesel and petrol engines

Proven metallo-organic anti-wear additive system resists wear by forming a protective layer on contact surfaces under all service conditions.

Preserves Power and Performance

Metallic detergent and ashless dispersant additive system preserves power and performance by providing good deposit control at high temperature zones like piston and ring.

• Reduce maintenance costs

Good oxidation stability resists oil degradation and protects against oil thickening, and oil line and filter plugging.
