

Techron® D Concentrate

Diesel Fuel System Cleaner

Product Data Sheet

Customer benefits

Techron D Concentrate, Diesel Fuel System Cleaner helps:

- Restore lost engine power
- Improve engine responsiveness, drivability and engine noise reduction
- Maximize fuel economy by restoring dirty fuel injectors to like-new condition

Features

Techron D Concentrate, Diesel Fuel System Cleaner is uniquely designed to be a one-tank cleanup solution that will clean diesel injectors and keep them performing like new.

It can be used with all types of diesel fuel including ultra-low sulfur diesel, bio diesel and bio diesel blends.

- Removal of the natural buildup of carbon deposits through the entire fuel system
- Clean internal diesel injector deposits (IDID), and indirect injection (IDI) and high speed direct injection (HSDI) nozzle-cooking deposits
- Cetane boost, improving combustion for reduced emissions and improved cold starting
- Prevent fuel injector sticking and failure

Applications

One 16-oz. bottle of Techron D Concentrate, Diesel Fuel System Cleaner treats up to 80 liters of diesel fuel every 10,000 km (not recommended for gasoline engines).

Techron D Concentrate, Diesel Fuel System Cleaner:

- Will not harm after treatment devices such as Diesel Particulate Filters (DPFs)
- Complies with the US federal low-sulfur content requirements for use in diesel motor vehicles
- Is effective in conventional as well as biodiesel blend fuels

Product description

Techron® D Concentrate, Diesel Fuel System Cleaner, is an ultra-high performance fuel system cleaner, designed for one-tank cleanup and to be used in diesel passenger car (such as SUVs & PPVs) and pickup truck & mini-van engines.

The powerful, patented formulation offers superior deposit cleanup, control and engine protection. Its advanced chemistry promotes the efficient removal of harmful conventional nozzle deposits, as well as internal diesel injector deposits (IDID).

It is effective in older engines and the latest generation common-rail diesel engines, and offers highly effective performance when used with mineral diesel or biodiesel fuels blends.

A Chevron company product

Typical key properties

| TECHRON® D CONCENTRATE TEST | RESULTS |
|---|---------------------|
| Product Number | 510728 |
| Viscosity, Kinematic mm ² /s at 40°C | 3.0 |
| Density at 15°C | 0.854 |
| Flash Point, PM, °C | 62 |
| Appearance | Clear, Amber liquid |

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended.
