Delo® Silver Extra Multigrade

Multifunctional Diesel Engine Oil

Product description

Delo® Silver Extra Multigrade is a high performance, multigrade heavy-duty diesel engine oil designed for use in a wide range of diesel engines requiring API CH-4/SJ performance and where a higher viscosity lubricant is preferred.

Customer benefits and product features

Customer benefits

- **Helps reduce fleet maintenance costs**
  High performance hydrocracked base fluids, combined with a balanced metallic detergent and ashless dispersant additive system, help maintain engine cleanliness across a range of operating conditions. Optimized additive technology is designed to provide soot dispersancy to help maintain appropriate oil drain intervals in diesel and gasoline engines. Oxidation stability helps protect against the formation of gums and varnish at elevated temperatures.

- **Contributes to longer engine life**
  An effective dispersant combination and proven metallo-organic anti-wear additive system help protect critically loaded engine components against wear. Multigrade viscosity helps provide additional wear protection during start-up and under high temperature operating conditions.

- **Helps maintain power and performance**
  Metallic detergent additive technology helps control upper-ring-belt deposits, contributing to maintained engine power and performance. An optimized viscosity modifier package helps minimize the impact of the high SAE viscosity grade on engine efficiency.

Delo® Silver Extra Multigrade

Multifunctional Diesel Engine Oil

Applications

Delo Silver Extra Multigrade is recommended by Chevron for the following applications where the manufacturer specifies an SAE 20W-50 viscosity grade:

- Mixed fleets of high-speed, four-stroke diesel engines, including turbocharged and naturally aspirated engines
- Commercial road transport
- Off-highway vehicles
- Agricultural tractors and farm machinery
- High-speed diesel engines in marine applications, including fishing vessels and river transport

Product approvals, performance and recommendations

Performance

- API CH-4/ SJ

Suitable for use in applications requiring:

- API CG-4, CF-4, CF
- ACEA E7-16
- JASO DH-1
- Daimler MB-Approval 228.3

Multifunctional Diesel Engine Oil

Typical test data

DELO® SILVER EXTRA MULTIGRADE	TEST METHOD	RESULTS
SAE Grade		**20W-50**
Product Code		**500870**
Base No., mg KOH/g	ASTM D2896	10.5
Viscosity, mm²/s @ 40°C mm²/s @ 100°C	 ASTM D445 ASTM D445	 169.9 19.10
Viscosity Index	ASTM D2270	128
Pour Point, °C	ASTM D5950	-44

ENVIRONMENT, HEALTH, and SAFETY. Information is available on this product in the Safety Data Sheet (SDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions, and comply with laws and regulations concerning product use and disposal. To obtain an SDS for this product, visit the Product Information Center.

This Product Data Sheet (PDS) was produced for the Asia-Pacific region in good faith from the best information available at the time of issue. The specific information included may not directly reflect the local market or conditions. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. For the most up-to-date, country-specific information, please contact your local customer service center.

Customers should always confirm that the product selected is consistent with the original equipment manufacturer's recommendation for the equipment operating conditions and customer's maintenance practices.
