

Havoline® Power Steering Fluid

Power Steering Fluid

Product description

Fluid for automotive power steering systems in automobiles and light trucks.

Customer benefits and product features

Customer benefits

Havoline® Power Steering Fluid delivers value by helping to:

- Protect against pump wear
- Protect against deterioration of seals and hoses
- Protect against corrosion, rust, and oxidation

Product features

Havoline® Power Steering Fluid is a general purpose power steering fluid.

Havoline® Power Steering Fluid is blended with high quality base stocks and a balanced additive system containing friction modifiers, anti-wear agents, and inhibitors against oxidation, foam, and rust.

Applications

Chevron recommends Havoline® Power Steering Fluid for automotive power steering systems in automobiles and light trucks.

It is designed independently by Chevron for use in applications which call for the following OEM specifications:

- FCA US LLC (formerly known as Chrysler Group LLC) MS-5931
- Ford ESW-M2C128-C
- GM 9985010
- Volkswagen TL-VW-570-26

While Havoline® Power Steering Fluid is suitable for most Subaru, Mercedes-Benz, Mazda, and Volvo systems, it is not recommended for use in Honda vehicles. Havoline® Power Steering Fluid can be used in power steering applications where DEXRON®, DEXRON®-II, DEXRON®-II D, DEXRON®-III or MERCON® is required. Check owner's manual for the correct or recommended fluid type.

Consult OEM representatives for independent verification, updates and recommendations.

DEXRON is a registered trademark of General Motors Corporation.

MERCON is a registered trademark of Ford Motor Company.

Typical Test Data

HAVOLINE® POWER STEERING FLUID KEY PROPERTIES	RESULTS
Product Number	221806
SDS Number	10825
API Gravity	35
Viscosity, Kinematic cSt at 40°C cSt at 100°C	41.0 7.5
Viscosity, Saybolt SUS at 100°F SUS at 210°F	191 52.0
Viscosity, Brookfield cP at -40°C	20,000
Viscosity Index	155
Flash Point, °C(°F)	210(410)
Pour Point, °C(°F)	-51(-60)
Color	Red

This bulletin was prepared in good faith from the best information available at the time of issue. While the values and characteristics are considered representative, some variation, not affecting performance, can be expected. It is the responsibility of the user to ensure that the products are used in the applications for which they are intended. Produced by Chevron Global Lubricants: Asia Pacific.

ENVIRONMENT, HEALTH and SAFETY. Information is available on this product in the Material Safety Data Sheet (MSDS) and Customer Safety Guide. Customers are encouraged to review this information, follow precautions and comply with laws and regulations concerning product use and disposal. To obtain a MSDS for this product, visit the [Product Information Center](#).

This Product Data Sheet (PDS) was produced for the Asia Pacific region based on the best available information at the time of issue. The specific information included may not directly reflect the market or conditions, and may vary. For the most up-to-date, country-specific information, please contact your local customer service center.
