

# Havoline® ProDS Fully Synthetic ECO SAE 0W-20

Passenger Car Motor Oil

## Product description

**Havoline® ProDS Fully Synthetic ECO SAE 0W-20** is a premium fully synthetic motor oil with Deposit Shield Technology, a cleaning booster, designed to provide advanced protection that helps prolong the peak performance and efficiency of high performance engines, particularly under harsh stop and go driving conditions, severe temperatures and heavy loads. It is formulated to offer outstanding protection for vehicles with direct-injection and turbochargers and those that require a full synthetic motor oil.

## Customer benefits and product features

### Customer benefits

- Outstanding mitigation against Low Speed Pre-Ignition (LSPI) in turbocharged gasoline direct injection (GDI) engines to help protect critical engine parts
- Advanced protection against sludge, varnish and piston deposit build-up to help keep modern engines running cleaner and longer
- Helps maximize the power of your engine while maintaining good fuel efficiency and cleanliness.
- Outstanding protection against wear and corrosion to help preserve engines and turbocharger durability
- Exceptional turbocharger cleanliness protection
- Excellent degradation control for automaker recommended oil change intervals

### Product features

- Havoline® ProDS Fully Synthetic ECO SAE 0W-20 with Deposit Shield Technology uses fully synthetic base oils and advanced additives technologies including antioxidants and friction modifiers to help provide outstanding protection and performance. It exhibits outstanding protection against heat, pressure, corrosion, and wear while offering excellent oxidation protection and volatility control, and exceptional cold temperature performance when compared to partial synthetic and mineral motor oils.

# Havoline® ProDS Fully Synthetic ECO SAE 0W-20

Passenger Car Motor Oil

## Applications

Havoline® ProDS Fully Synthetic ECO SAE 0W-20 with Deposit Shield technology is recommended by Chevron for use in:

- Advanced, high power density and performance engines with turbochargers, gasoline direct injection
- Vehicles operating in extreme hot or cold or stop-and-go driving conditions
- Passenger cars, pickup trucks, SUVs and working vans in new and older vehicles
- FCA, Ford, GM, Honda, Mazda, Nissan and Toyota engines where an API SQ or ILSAC GF-7A SAE 0W-20 lubricant is recommended

Consult OEM representatives for independent verification, updates and recommendations.

## Product approvals, performance and recommendations

Developed independently by Chevron to comply with the following performance standards and specifications:

HAVOLINE® PRODS FULLY SYNTHETIC ECO	SAE 0W-20
API SQ-RC	Approved
ILSAC GF-7A	Approved
General Motors dexos 1 Gen 3	Licensed (D335BDDC089)
Chrysler MS-6395	Assessed by Chevron to meet requirements
Fiat 9.55535-CR-1	Assessed by Chevron to meet requirements
Ford WSS-M2C962-A1	Assessed by Chevron to meet requirements
Ford WSS-M2C947-B1	Assessed by Chevron to meet requirements
General Motors 6094M	Assessed by Chevron to meet requirements
